

Canister Bagged Vacuum Cleaner, Ebony Black - UltraSilencer Plus with AllFloor Auto Nozzle & 3-in-1 Tool

Product Details

FEATURES

Dustbag Full Indicator

Integrated parking slots

Soft wheels

Soft bumpers

Easy spinning wheels

BENEFITS

QUIET AND POWERFUL CLEANING

The UltraSilencer Plus combines an efficient airflow system with a powerful motor and the AllFloor Auto nozzle, delivering strong suction performance. Designed for those who value a quiet operation and dependable cleaning, it offers an effortless experience

QUIET PERFORMANCE, EVERY TIME YOU CLEAN*

Enjoy quieter cleaning with a motor-sealed design and advanced sound-absorbing materials. Operating at just 64 dB(A)*, it delivers powerful airflow and reliable performance without disruptive noise.*Measured in High mode setting according to IEC 60704-2-1:2020.

ONE NOZZLE. MORE SUCTION. EVERY SURFACE

The AllFloor Auto nozzle and advanced motor technology deliver up to 100%* dust pick-up from hard floor with crevices and up to 20%** more suction power. *Based on internal test at auto mode on hard floors with crevices according to IEC 62885-2 .2021 section 5,2. **Based on internal test at max mode according to standard IEC 62885-2 in comparison with Electrolux Pure D8.2.

EASY TO HANDLE, SIMPLE TO MOVE

Clean with ease and comfort. The ergonomic handle, telescopic tube, and XL rubber-coated wheels ensure smooth movement. A 12m action radius lets you cover more space, while the balanced carrying handle makes lifting between rooms effortless.

ONE NOZZLE. MORE SUCTION. EVERY SURFACE

The HEPA filtration system captures up to 99.999* of particles as small as 0.3 microns like fine dust, dust mites, and allergens so the air released is cleaner and fresher for your home. The filter is washable, too. *Based on internal tests on filtration of micro dust particle sizes 0.3-10 microns according to standard IEC62885-2:2021, 5.14 using standard sand/dust particles.

EASY POWER ADJUSTMENT

The design allows for seamless power adjustment. You can choose the required power level for different surfaces with the rotary knob. Foot control to switch the knob on and off!

Specifications

MAIN

Brand	Electrolux
Product Type	Canister
PNC	900258803
EAN/UPC	7333394171029

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
