| Class leading capacity  | Easy reach rear controls  | Easy-clean oven and surfaces | Handy separate grilling compartment |
| Durable enamel surfaces | High performance cooktops | Digital Programmable timer   |                                     |

## BENEFITS

|                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                   |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>Class-leading capacity</b></p> <p>Westinghouse freestanding cookers have the largest cavity in their class, with a 80L gross oven capacity. Plus, the separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.</p>                  | <p><b>Easy-reach rear controls</b></p> <p>Westinghouse 54cm freestanding electric cookers have a unique easy reach angled rear control system which offers you and your family peace of mind while cooking by keeping oven controls far from childrens reach.</p> |
| <p><b>Easy-clean oven and surfaces</b></p> <p>Enjoy easy cleaning with one seamless fully sealed oven cavity. No awkward joints, nooks or crannies to trap grease, a simple wipe is all you need to keep your oven clean.</p>                                                                                                                                  | <p><b>Handy separate grilling compartment</b></p> <p>Cook for the whole family. Grill and bake at the same time while keeping different cooking flavours and smells apart.</p>                                                                                    |
| <p><b>Digital programmable timer</b></p> <p>With 3 simple-to-operate buttons, you can automatically set the oven to turn on or off, or simply use the clock as a timer.</p>                                                                                                                                                                                    | <p><b>Durable enamel surfaces</b></p> <p>Enjoy a sparkling finish every time. With supreme durability on external surfaces, you can be assured your cooker will look as good as new for years to come.</p>                                                        |
| <p><b>High performance cooktops</b></p> <p>Choose from our practical and powerful range of electric cooktops, with standout features like handy coil, easy-clean solid or stylish, flat ceramic hobs. High performance burners, including a wok burner on selected models, allows you to cook anything with ease, from family stir-frys to slow simmering.</p> | <p><b>Designed and made in Australia</b></p> <p>Proudly created for Australians by Australians, you can trust the new Westinghouse 90cm oven to cook all your favourite meals just the way you like them.</p>                                                     |

## Built in Australia

Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
