### FEATURES

|                                                                                               |                                                   |                                       |                                                                         |
|-----------------------------------------------------------------------------------------------|---------------------------------------------------|---------------------------------------|-------------------------------------------------------------------------|
| Hidden hinges                                                                                 | Adjustable front rollers                          | Rear rollers                          | Egg tray                                                                |
| Door alarm                                                                                    | Service mode with diagnostics feature             | Quick chill function                  | Temperature sensor                                                      |
| Frost free                                                                                    | More environmentally friendly refrigerant (R600a) | Internal electronic controls          | Multi-flow air delivery system                                          |
| FamilySafe™ lockable compartment                                                              | LED lighting                                      | Fingerprint resistant stainless steel | Designed to fit a 90cm space with a huge 600L capacity                  |
| Clever, spacious freezer<br>Keep your freezer organised, tidy and quickly find what you need. | Easy glide humidity controlled crispers           | Adjustable interiors                  | Adjustable Spillsafe™ glass shelves<br>Catch spills and clean with ease |

### BENEFITS

#### Adjustable storage solutions with FlexStor™

As your family changes and grows, so do the requirements of your fridge. With FlexStor™ you enjoy the convenience of being able to easily change the configuration, whatever your needs. Adjust the height and position of the door bins to fit in large and smaller items and arrange your fridge your way.

#### FlexSpace™, it's size redefined

With a busy lifestyle and a growing family, you can always do with more space in your fridge. That's why Westinghouse created FlexSpace™, which is designed to maximise storage, flexibility and access to meet your ever-changing needs. Big enough to handle even the biggest grocery shop, you'll be able to fit in all your food and drinks with ease.

## Fingerprint resistant stainless steel

Little hands or sticky fingers won't be a problem with easy-clean fingerprint resistant stainless steel.

## Spillsafe™ glass shelves

From time to time, accidents happen. And when they do, you want to minimise the extent of the damage. Spillsafe™ shelves can capture up to one litre of liquid, so you can contain the spillage to just one shelf instead of the whole fridge.

---

## Easy glide drawers and specialised compartments

Easy glide freezer bins and fridge crispers give easy access without the effort – even when they're full. Humidity controlled crispers keep fruit and vegetables fresh, while deli drawers help isolate odours. Handy storesafe™ drawers put special items safely out of reach.

## Endless possibilities with FlexSpace™

Designed to suit your ever-changing needs, the extra spacious French door design delivers a wider fridge capacity with FlexSpace™. Perfect for party platters or lots of fresh food, you'll love having everything at eye level so you can easily check all the contents with just a glance.

---

## Clever, spacious freezer

If the classic French door design is something you want to see across your freezer space too, our four door french door fridge is the clever addition to your kitchen space. With 7 freezer compartments organising your freezer has never been so easy. Keep your freezer organised, tidy and quickly find what you need.

## Space for everything

When it comes to being organised you can never have too much space. With two door access to both your fridge and freezer, you won't know how you didn't have it before. Being able to see everything at a quick glance has never been so easy.

---

## Dual FlexFresh™ easy glide crispers

Designed with your comfort in mind, the dual sealed easy glide crisper bins with humidity control open effortlessly and provide easy access even when they're full.

## Designed to fit a 90cm space with a huge 600L capacity

Designed to fit neatly into an Australian 90cm kitchen cavity. Clever engineering allows it to be installed with minimum gaps on the sides meaning maximum storage for all your fresh produce.

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
