

7000 Premium 4 burner built In BBQ, stainless steel

Product Details

FEATURES

17MJ Cast Stainless Burners with Stainless Steel Vaporisers	11MJ Ceramic Rear Burner	Porcelain Enamel Cast Iron Hotplates and Split Grills	LED lights on control panel dials
Halogen lights on splashback	Flame Failure Gas Shutoff	Stainless steel elevated cooking rack	Full Width Oil and Fat Catchment Tray on Telescopic Rails
Double layered 304 grade stainless steel roasting hood with glass viewing window and integrated temperature gauge	Fully Welded 304 Grade Stainless Steel Firebox	Quartz One Start Ignition System	

BENEFITS

DURABLE, FLEXIBLE AND EFFICIENT

With cast stainless burners and stainless-steel vaporisers, you have one of the most durable, flexible and efficient cooking systems available. Cast stainless heats quickly, maintains consistency and lasts a very long time. With 17MJ of power in each burner, sear steaks at high heat, or turn the power down, giving you the choice in what you cook and how you cook it. And the dual stainless-steel vaporisers efficiently disperse the flames across the grill and plate surfaces whilst reducing those flare ups.

EXPAND THE EXPERIENCE

Expand your BBQ experience and craft mouth-watering roasts and slow-cooked meals with the inclusion of a 11MJ rear ceramic burner. Combine the rear burner with the elevated cooking rack to keep your food warm without over cooking.

SPACIOUS, CUSTOMISABLE and DURABLE CAST IRON COOKTOP

Cook up a feast for many for years to come on our spacious and durable cooktop. Made from cast iron, the cooking surface doesn't chip and rust resistant, whilst heating quickly and evenly and holding its warmth for the best cooking experience. The split grill plates also means you can customise your cooking surface as you need it.

SEEING IN THE DARK

BBQ up a feast even at night with the helpful lighting features. Simply flick on the light switch when you are cooking. The back hood lights give you better visibility and the LED illuminated control dials show you what power level you are at so you cook that perfect meal.

THE PERFECT VIEW

Keep an eye on whats cooking without lifting the lid. Maintain heat using the built in temperature gauge or peer through the full width glass viewing window to check how those sausages or brisket are doing.

CLEAN UP WITH EASE

Designed for an easy clean-up, the hotplate has raised sides preventing grease and oil over-spilling, drawing it instead to the plate opening and into the replaceable foil catchment tin. The telescopic rails on the front, full width drip tray, makes it easy to pull out to replace the foil tin and clean the over-spill.

READY, START, COOK

Start cooking quickly and easily with the quartz one start. This first time, every time, easy start ignition system makes sparking up the BBQ a breeze.

CONSTRUCTED TO LAST

Built to last over time, the burner box is built out of high grade stainless steel. With an exterior seam weld, moisture and grease don't get into the joints, preventing rusting

PEACE OF MIND BBQ'ING

Protect yourself and your BBQ when lighting the burners or whilst you are cooking with the built-in flame failure safety device. If the BBQ fails to light or the burners blow out, flame failure immediately cuts off the fuel supply preventing dangerous gas build ups.

Specifications

PRODUCT PROFILE

Type of BBQ	Built in
Design Family	Signature
Finish	stainless steel
Stainless steel grade	304 grade
Stainless steel	304 grade
BBQ Frame Finish (BBQ Burner Box Finish)	Fully Welded Stainless Steel
Firebox material	stainless steel
Firebox construction	stainless steel
Domestic warranty details (yrs)	2

FEATURES

Control panel material	stainless steel
Controls of BBQ	Illuminated Knob
Position of controls	front mounted

SPECIFICATIONS

Type of Fuel	Gas
Gas connection set up	LPG
NG conversion kit available	yes

BURNERS

Number of burners	4
Burner material	cast stainless steel
Type of Ignition	Quartz Start

FEATURES

Laser Etched Graphics	yes
Hotplates	1
Hotplate finish	rust resistant enamelled cast iron
Hotplate size	18.6cm ²
Hotplate oil and fat management	raised sides,hotplate gap
Grills	2
Grill finish	rust resistant enamelled cast iron
Grill plate size	9.4cm ² x2
Elevated Cooking Rack	Yes
Elevated cooking rack number	2
Elevated cooking rack material	stainless steel
Elevated cooking rack dimensions	5.8cm ² x 2
Elevated cooking rack movement	lift up & remove,split
Roasting hood	Yes

BURNERS

Burner power (MJ/hr)	17
Total burner power (MJ/hr)	68
Flame failure	Yes
Vaporisers	Yes
Number of vaporisers	2
Vaporiser material	stainless steel
Side Burner	No
Rear burner material	ceramic tile
Rear burner power	11
Rear burner location	splashback

FEATURES
