BENEFITS

Tailored for everyday living
Thoughtfully designed to suit the way we live, this fridge fits your standard fridge cavity, making it an ideal choice for an easy upgrade or replacement. With a smart, streamlined design, its perfect for creating a polished look without the fuss.

Modern design within reach
Say hello to a fridge that looks as good as it works! With integrated handles at the top and bottom, opening your fridge has never been easier. No bulky handles, just sleek design thats all about style and smooth, effortless access.

Dual storage with dual crispers
Keep fruit and veggies fresher with our CrispSeal Crispers. With seals that assist in preventing moisture loss, youre able to look after your food the right way.

Big bins. Big convenience.
With deep, full-width door bins on both sides, youve got plenty of room to store larger items like milk or juice bottles. Designed for families to share houses, these bins keep your bigger essentials neatly organised and always within easy reach.

FresherAir™ for a fresher fridge
Say goodbye to fridge smells! FresherAir™ uses a built-in carbon filter to help remove unpleasant odours, keeping your fridge smelling clean, just the way it should be.

Stay refreshingly cool
Keep your drinks ice cold thanks to our sphere ice tray. With plenty of ice available for all and the slow melting nature of larger sphere ice, you and your family can enjoy ice-cold drinks anytime.
