Child safety lock

BENEFITS

Large pans are no problem

Larger pots or pans are catered for with MaxiZone. Our extra large cooking zone ensures that heat will be delivered consistently to large pans to help cook your special dishes to perfection with ease.

More versatility with variable zones

Sometimes you are cooking for two and other times it's for five. With Dual Zone functionality you are able to adjust to your chosen pot or pan size with ease.

Easy touch-on glass control

Total control is at your fingertips with a simple touch on the easy-clean glass control panel.

Timed to perfection

Never over-cook or burn dinner again. Just set the cooking time and our cooktop will automatically turn the heat off for you.

Safety first with our Residual Heat Indicator

Kitchen safety comes before everything else, so our heat indicators show activated hotplates as well as hotplates that are still cooling down.
