

5.5kg vented clothes dryer comes with anti-tangle reverse tumble action for a more even drying result. Other feature includes durable stainless steel drum, Sensor drying, large door opening and wall mount option.

RRP AUS \$649.00

Product Details

FEATURES

Front lint filter	Easy to use rotary dial control	Time drying	Front or rear venting
Wall mounting kit included	Durable stainless steel drum	Auto cool down The auto cool down forms a part of the final drying cycle. This reduces creasing of clothes and provides a safety feature.	

BENEFITS

Sensor Dry Senses the residual moisture in the clothes and automatically stops when the desired dryness is achieved. This protects your clothes by ensuring they aren't over dried and saves energy by using the exact amount of energy required for any load size	Reverse Tumbling Action Tumble action alternates clockwise to anti-clockwise, reducing clothes tangling and bunching together, so they dry more evenly.
Auto cool down The auto cool down forms a part of the final drying cycle. This reduces creasing of clothes and provides a safety feature.	

Specifications
