Product Details

FEATURES

5 year Warranty on Compressor This Vintec cabinet comes with a 5-year warranty on its compressor. We recommend registering your product with us, so that we can help you more quickly and efficiently.	Store up to 140 cans (330mL) Maximum loading capacity is 140 beers or soft drinks cans (330mL)	Double glazed door, with anti-UV glass The double-glazed door with anti-UV glass ensures protection from UV rays and prevents your wine spoiling due to light damage. It creates the optimal environment for your wine's maturation.	Reversible Door Reverse the door to optimize access to your wine cabinet.
Sleek Intuitive Touch Controls Configure the temperature with ease with the intuitive touch controls.	Security Lock Child-proof lock your cabinet to avoid unauthorized access to your collection.	Air Filter Helps protect the wine cabinet from undesirable odours. Filters internal air to limit stale odours from developing in your wine cabinet. For optimal performance, replace every 6 months.	Anti Tip Fixing Bracket Comes with an anti-tip fixing bracket to ensure your treasured collection remains intact.

BENEFITS

5 year Warranty on Compressor This Vintec cabinet comes with a 5-year warranty on its compressor. We recommend registering your product with us, so that we can help you more quickly and efficiently.	Single-Zone Beer and Wine Single-Zone Beverage Centre designed to store beers and mixers as low as 2C (lower than normal Vintec wine cabinets), as well as sparkling or white wines at chilled temperatures.
Adjustable Wire Shelves for Beers and Mixers Designed for your ready-to-drink beverages, Vintec wire shelves accommodate beer cans, bottles, and mixers, whether stored upright or horizontally.	Stylish, Seamless Transparent Glass Door The stylish, transparent glass door with an added anti-UV layer, reflects heat whilst allowing you to easily view and showcase your beverages.

Sleek Intuitive Touch Controls

Configure the temperature and lighting with ease with the intuitive touch controls. Set temperatures based on your preferred taste.

UV-free LED Lighting

Our energy-efficient, UV-free LED lighting provides great visibility while keeping them safe from damaging UV-light.

Freestanding or Slot In installation possibility

This Vintec unit can be installed Freestanding or Slot-In to a home (e.g kitchen, living room or office) for a more integrated look.

Premium Scandinavian Design

Designed in Sweden, Vintec prioritises simplicity and the seamless integration of form and function. This design philosophy complements Vintec's focus on both wine preservation and aesthetic appeal, resulting in sophisticated wine storage solutions that blend effortlessly into modern living spaces.

Specialist in wine cabinets for over 20 years and number 1 preferred brand*

For over 20 years, Vintec has been the specialist in climate-controlled wine storage solutions in Australia. Vintec is the number one preferred brand. *Kantar brand Health study Aug 2024

The Vintec Club

The Vintec Club is a private club for owners of Vintec, focused on content, offers and experiences on cellaring, storing and serving wine. Owning a Vintec is the key to accessing exclusive wine industry benefits and services and receiving invitations to unique wine dinners and tastings in the company of celebrated winemakers and sommeliers.
