

**86cm integrated rangehood with Hob2Hood, 800m<sup>3</sup>/hr extraction rate, 3 fan speed plus Boost, and dishwasher safe filters.**

## Product Details

### FEATURES

---

|                              |                                   |                                 |                          |
|------------------------------|-----------------------------------|---------------------------------|--------------------------|
| Hob2Hood                     | Powerful 800m3/hr extraction rate | LED lighting                    | 3 speed fan + Boost mode |
| Dishwasher safe mesh filters | Dark Stainless Steel Finish       | Ducted or recirculating options | Electronic push button   |

---

### BENEFITS

---

#### Clear the air with Hob2Hood

With Hob2Hood technology, compatible rangehoods work seamlessly with your induction or ceramic cooktop to clear your kitchen of cooking smells and steam. As you start cooking, the rangehood will automatically turn on then intuitively adjust the fan speed and airflow to match your cooking. How's that for hands-free convenience?

#### Clear the air quickly

Our rangehoods offer powerful extraction rates ensuring your kitchen is clear of cooking odours, vapours and excess heat in no time at all.

#### Low energy, long lasting LED

With low energy use and a high illumination performance, long-lasting LED lights make it easy to keep an eye on your delicious cooking.

#### Easy-clean filters

For ease and convenience, our easily removed aluminium micro-mesh filters can simply be washed safely in your dishwasher or hand washed. Keep your rangehood looking great and performing well with next to no effort.

|                           |     |
|---------------------------|-----|
| Total product height (mm) | 249 |
| Total product width (mm)  | 866 |
| Total product depth (mm)  | 292 |

## MOTOR/FAN

|                       |            |
|-----------------------|------------|
| Number of fans        | 1          |
| Number of fans speeds | 3          |
| Type of motor         | tangential |
| Perimeter extraction  | No         |
| Maximum airflow M3/Hr | 800        |
| Noise level dB high   | 69         |
| Noise level dB low    | 53         |
| Number of motors      | 1          |
| Wattage of motor      | 305        |

## POWER

|                                  |       |
|----------------------------------|-------|
| Electricity supply required (Kw) | 0.305 |
| Connection plug                  | 10    |

## DIMENSIONS

|                                                                |     |
|----------------------------------------------------------------|-----|
| Diameter of ducting (mm)                                       | 150 |
| Minimum installation height from cooking surface Gas (mm)      | 620 |
| Minimum installation height from cooking surface Electric (mm) | 600 |
| Cut out width (mm)                                             | 833 |
| Cut out depth (mm)                                             | 262 |

## CONTROLS

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Control panel              | electronic push button                                   |
| Safety/ display indicators | clean filter indicator,auto thermal cutout safety switch |
| Hob2Hood function          | Yes                                                      |

## LIGHTS

|                  |     |
|------------------|-----|
| Number of lights | 2   |
| Wattage of light | 3.5 |

## FILTERS

|                   |                                       |
|-------------------|---------------------------------------|
| Number of filters | 2                                     |
| Type of filter    | multilayer aluminum micromesh filters |
| Dishwasher safe   | Yes                                   |

## DUCTING / RECIRCULATION

|                       |                    |
|-----------------------|--------------------|
| Ducting               | optional accessory |
| Top or rear duct hole | top                |

## LIGHTS

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
