BENEFITS

Efficient cooling With a 5 star energy rating, this Westinghouse fridge is designed to reduce energy use while still delivering reliable, consistent cooling. That helps lower running costs and means a fridge you can feel confident using every day.	Better lighting for easier finding Spend less time with your head in the fridge and more time enjoying your fresh food with Westinghouse LED lighting. More light means you find what you are looking for faster.
Helps keep your fridge smelling fresh FresherAir carbon filter helps keep the fridge smelling fresh and reduces odour transfer between ingredients.	Easy clean, adjustable shelves Cleaning your fridge shelves has never been easier. The Westinghouse adjustable glass shelving can be easily manoeuvred, allowing you to effortlessly get into every nook and cranny, no matter the mess.
Ice ready when you are Whether its for an afternoon juice or a whisky on the rocks, our easy access twist ice dispenser and tray allows you to just twist and serve ice simply.	Even cooling on every shelf Cooling 360° circulates cold air evenly throughout every corner of the fridge, ensuring consistent temperatures on every shelf. This helps maintain optimal freshness and, food quality, and helps keep flavours at their best no matter where items are stored.

Stylish design

The sleek flat door finish delivers a clean, modern look that integrates seamlessly into any kitchen style.

FreshSeal Crispers

Our FreshSeal Crisper comes with manual humidity control, so you have greater flexibility to choose the optimum environment to store your fruits and vegetables.

A fridge that adjusts for you

AutoSense adapts cooling automatically based on how your household uses the fridge. It responds to busy periods by adjusting cooling to help protect fresh food and shifts to energy saving modes when you're away, all without you needing to manage settings day to day.
