

The 7.5kg 1200rpm maximum spin speed front load washing machine comes with 11 wash programs including a convenient Daily 60 program, and Quick 15 option too for those smaller loads you need in a hurry.

RRP AUS \$749.00

Product Details

FEATURES

Inverter motor The inverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10 year parts and labour inverter motor warranty ensuring peace of mind.	Everyday programs Wash everyday with the Daily 60 minute program or use the Quick 15 minute program for small loads needed super fast.	Extra-Large Door Opening	Gentle Drum More smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling of your clothes during high-speed spinning
---	--	---------------------------------	--

BENEFITS

Efficient inverter motor Help reduce your energy needs* with a powerful and reliable inverter motor that also reduces vibration and noise in the laundry. With the 10 year parts and labour inverter motor warranty your Electrolux will deliver, wash after wash, year after year. *vs conventional non inverter motors	Quick 15 program Allows for a quick wash for small or lightly soiled loads, making washing flexible and supporting a busy lifestyle
Gentle Drum Designed to minimise the stretching of fabrics and provide a softer wash, the Gentle Drum ensures excellent wash results every time. Its smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling your clothes during high-speed spinning. Clothes are also lifted and rotated gently in the drum for an exceptional washing performance.	Extra-Large Door Opening The extra-large door opening was designed to make loading and unloading your machine a breeze. With easy access to the inside drum, you will enjoy better visibility so you never miss those smaller items.
