FEATURES

Live Map Track cleaning with the Live Cleaning Map.	Runtime	Voice Activation Voice activation is available via Google Home.	Scheduling clean Control your cleaning routine on your smartphone.
Vacuum and Mop 2-in-1 vacuum and mop.	Advanced filtration	Sensor-aided Navigation Sensor-aided navigation optimizes floor coverage.	Powerful performance

BENEFITS

VOICE ACTIVATION

Voice activation is available via Google Home. Wherever your day takes you, you can control your vacuum with your voice to relax and enjoy returning to a freshly cleaned home.

UP TO 120 MINS RUNTIME*

Vacuum your home for up to 120 minutes or two hours of run-time* on a single charge. Internal tests support up to 120 minutes* of use on minimum mode which equals to a calculated surface area of up to 85 square metres.

SCHEDULING CLEAN

Be in control of your cleaning routine using your smartphone. Use the customisable scheduling system to vacuum or mop your floors from your device. Set the date, time, and functions from anywhere using the flexible scheduling system, then relax and enjoy returning to a clean home.

2 IN 1 VACUUM AND MOP

Efficiently clean and mop your floors in one go with the integrated vacuum and mopping function. Adjust water levels for mopping for the desired level of cleanliness via the remote control or mobile app.

ADVANCED FILTRATION

The advanced 3-step filtration system efficiently removes up to 99.99% of dust particles* for a more hygienic and healthier home environment. *Measured on fine particle filter for particles bigger than 0.35 micrometre based on ISO 15E and ISO20E according to ISO29463.

SENSOR-AIDED NAVIGATION

Gyroscopic mapping vacuums with sensor-aided navigation to clean your floors thoroughly in a structured, organized pattern for optimum coverage.

POWERFUL PERFORMANCE

Enjoy powerful vacuuming with a maximum suction of up to 2600Pa and up to 100% dust pick up of medium and large particles for an efficient and thorough clean. *Based on internal test, for particle size from 2 to 7 millimetres, according to IEC 62885-7.

Specifications

MAIN

Brand	Electrolux
Product Type	Robot
PNC	900279476
EAN/UPC	7332543823437
Model/Part number	EFR31221
Replaces model	-
Description	UltimateHome 300 Robotic Vacuum + Mop
Bag/Bagless	Bagless
Warranty Period	2 years

CONTROLS

Electronics	Auto & +/- Hand operated
Control position	Top of cleaner
Filter indicator	Yes

DESIGN

Main colour	Denim Blue

TECHNICAL SPECIFICATIONS

Volt (V)	14.4
Battery cell, type	Li-ION

CONTROLS

Standby lamp	Yes
--------------	-----

PACKAGING & LOGISTICS

SINGLE PACKAGE

Gross weight (kg)	4.64
Package width (mm)	435
Package depth (mm)	412
Package height (mm)	128
Package volume (lt)	23
Palette, units per	30
Palette dimension W/D/H (mm)	1200x800x160
Max units in 20 ft cont.	825
Max units in 40 ft cont.	1650

Terms and Conditions

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
