

A stainless steel finish, universal rangehood with inter-locking push button controls, 600mm in width, with a 3 speed dual centrifugal fan.

Product Details

FEATURES

Auto thermal cutout safety switch

Push button controls

3 fan speeds

2 x filters

Washable filters

Optional carbon filter(s)

Front re-circulating option

Top and rear duct hole options

Two halogen lights

BENEFITS

Easy installation

The rangehood is easily installed either partially behind cupboard doors or simply under cabinetry.

Easy to clean

Removable filters for easy cleaning, and the rest of the rangehood is easy to maintain - simply wipe down.

Recirculation

The rangehood can recirculate into the kitchen if it is not possible to duct to the exterior. Carbon filters are recommended for recirculation.

Simple operation

Simple to use push button controls with 3 power settings to provide flexible air movement to manage diverse cooking demands.
