BENEFITS

A hotter wok helps bring out the flavour Use high heat to lock in the flavor of your dishes. With durable brass caps and 19 MJ/h you can bring your wok to high heat with even flame distribution. Spice up your cooking and spice up your life.	Boil to simmer in an instant For precision control cooking all your favourite recipes, our smart Dual Valve flame control lets you go from boil to simmer in an instant.
Cook with confidence Enjoy peace of mind with our ceramic glass gas cooktops. Ceramic glass can withstand higher temperatures, which means its safer for you and your family	Family safety first Our cast iron trivets flat design ensure the base of your pots and pans are fully supported, allowing you to have a safer and more stable cooking environment.
Easy to Clean Spend more time cooking and less time cleaning. Our flat surface gives foods and spills nowhere to hide, making cleaning a breeze.	Flame out. Gas off. In the kitchen, it should always be safety first. If the cooktop flame unexpectedly goes out, our Flame Failure Device will automatically shut down the gas supply so you and your family can breathe easy.
