Cooler to Touch Doors	Dark Stainless Steel Finish	80L gross capacity oven	

BENEFITS

Unleash the full flavour of your favourite meals
For the perfect Sunday roast, use our Roast +Steam function to create delicious healthy dishes that are packed with flavour. Steam helps to crisp up your roast, whilst also ensuring your meat stays nice and tender on the inside. Try the benefits of steam cooking today.

AirFry for that perfect, crunch
Cooking for the whole family just got a whole lot easier. Our double AirFry tray lets you cook healthier meals straight from your oven with minimal oil. Plus, you don't have to worry about turning your food, the heat comes from both above and below the tray, delivering perfect crunchy results.

New Easy-to-use controls
Using our ovens TFT control panel is easier than ordering online food. Oven functions are grouped together to make selecting the right option faster and easier than ever. We even have 4 four options under AirFry to help you select the right one for the right food.

Ovens that clean up after themselves
Even cleaning up is easier with Westinghouse. Choose a PyroClean oven and with the press of a button you can keep your oven shiny and clean. The oven turns on to an extremely high temperature, turning grease and grime into ash. All you need to do is simply wipe the residue away. No nasty chemicals, no greasy mess just a sparkling clean oven with minimal effort.

Designed for ease and safety
Telescopic runners are another piece of thoughtful design that makes it easy to draw racks out and safely check on your dishes during cooking.

Built in Australia
Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.

Dinner's done sooner with our fast heat up oven
Why wait longer? Our fast oven heat up means you can get on
with the job of getting dinner on the table sooner.
